STATE STREET contributes \$20,000 to
Wyandotte County Lewis & Clark Task Force

State Street Corporation (NYSE:STT), the world's leading specialist in meeting the needs of institutional investors, announced today they have donated \$20,000 to the Friends of the Kaw, Inc. Wyandotte County Lewis & Clark Task Force. The funds are designated to contribute to the construction of its boardwalk and for the Confluence of Nations Plaza.

The Task Force believes that redevelopment of the Kaw Point Riverfront will provide green space, river access, and historical interpretation to a part of our community that has previously been neglected. Children in the nearby public housing complex will be able to utilize the park, as will employees of downtown businesses and residents from across the metropolitan area.

"We are very pleased to make this contribution to our community, as we are committed the revitalization of our urban core and riverfront. In addition, we are looking forward to the celebration of the Lewis & Clark bicentennial commemoration of the Lewis and Clark Expedition's encampment in Wyandotte County," said Dorrie Holland, chairperson of State Street's Kansas City community support program. "State Street strives to be actively engaged with our communities around the world, both as a partner and as a leader."
